Pictured above (l-r) are Phil Hopkins, Jason Grimm, and Chad Teegardin. These guys ventured to the Eastern U.P. in early December for the special trapping season on Fishers and Pine Martens. They got their limit which is one a piece. Phil and Chad have been there four times and have done well getting their limit each time. This was Jason's first trip.

Above are Joe Hoy (left) and Jon Gigowski. These guys have been heading up our **TOYS FOR TOTS** effort for some time. They and their committee set a GTD record this year raising over \$2,050 and collecting the 228 toys shown on the tables above. GTD employees also raised more than \$2,340 for the **MONTCALM CHALLENGE FOOD DRIVE**. A big thank you and congratulations to all of our GTD employees who have helped so many in our area have a very Merry Christmas.
