AUGUST 2010

- 1Tony Walker
- 3Paul Fyolek
- 3Terry Swan
- 10Chris Johnson
- 12Kerry Jahns
- 12Kevin Raymond
- 14Tim Gasper
- 14Rachel Hopkins
- 15Brian Schmid
- 17Dave Hendricks
- 19Doug Sanders
- 24Jason Grimm
- 24Kevin Krouse

Robbie Rahn & Joe Winters - 25 Years of Service

Shown at Ash Landing on the Fred Meijer Flat River Trail running adjacent to the Greenville Tool & Die plant, company officials pose with Robbie Rahn and Joe Winters in recognition of their 25 years of service, June 10.

Robbie started with GTD on September 4, 1984 as a Co-op student from Central Montcalm High School. He was attending the Montcalm Area Career Center and the Machine Tool Program. After graduating from high school, Robbie accepted full time employment with us on June 10, 1985 as an apprentice tool and die maker. He would complete this apprenticeship on May 12, 1989 and follow that up by completing his tool and die designer apprenticeship on June 12, 1991. Robbie has spent most of his career here at GTD as a tool and die designer and is now a design leader.

Robbie has been involved with both our Food Drive and Relay for Life committees and is a participant each year in the Special Olympics Polar Plunge at Clifford Lake. Although he does not fish much, he enjoys riding around

the lake on his pontoon boat. He loves golf and still deer hunts on the family farm.

Joe Winters also started with us as a Co-op student from Greenville in 1983. He was offered full time employment and started on June 10, 1985. Joe completed his tool and die maker apprenticeship on May 10, 1989.

After some years as a tool and die maker, die leader, and tryout leader, Joe was promoted to Plant Superintendent on September 29, 2003 and still holds that responsibility today.

He and his wife Linda have two daughters, Heather and Megan, and a son, Zachary.

In his spare time, Joe enjoys 4-wheeling whether it is with his jeep or Quads. He also hunts mushrooms, has a passion for wood-working projects and entertaining family and friends around his pool which often includes his barbequing talents. He also draws rave reviews for his smoked jerky and sausage.

Congratulations and thanks to Rob and Joe.

SAFETY & SUGGESTION COMMITTEE

Roger Rasmussen
Jerrad Higgins

Jody Teegardin
Dan Pitch

The Safety & Suggestion Committee for July will meet on Wednesday, July 28, 2010, at 3:00 p.m. in the large conference room.

NEW EMPLOYEE

We are pleased to welcome new employee, Dennis Brasington (above). Dennis joins us as our Maintenance Specialist. He has a number of years of experience troubleshooting and repairing all types of plant equipment including CNC milling machines, presses, etc. Welcome Dennis.

MONTCALM RELAY FOR LIFE RECAP

GTD's Wheeler's Walkers Team did very well in the American Cancer Society's local fundraiser, the Montcalm County Relay For Life, raising \$4,023.00 for the cause. This year's event took place on Friday, June 18 and Saturday, June 19, at Greenville High School's Yellow Jacket Stadium. The overall results of the event were also very impressive as collectively all participants raised \$61,417.00 (almost \$14,000 over goal) to help in the fight against cancer.

We thank all of our employees for their participation and contributions in this effort, but we extend a special thank you to our Relay For Life committee for a very well organized campaign that exceeded even their own expectations. To team co-captains, Norm Denny and Rachel Hopkins, and committee members, Robbie Rahn, Joe Dempsey, Jon Gigowski, Kevin Raymond, Joe Hoy, and Matt Dempsey, thank you and well done.

NEXT RED CROSS BLOOD DRIVE

The next Red Cross Blood Drive event at GTD will be on Tuesday, July 13, from noon until approximately 5:00 p.m. Spouses are welcome. To reserve a time, contact Steve Foster, HR Director.

WHEELER'S WALKERS

Wheeler's Walkers Co-Captain, Rachel Hopkins, manned our team area throughout the event.

Brad & Amy Throop along with Emily and Logan, have been regular participants at the Event.
