

DO YOU WANT TO BE AN ENGINEER?

If so, check out the great **Engineering Scholarship** opportunity being offered by **GREENVILLE TOOL & DIE**. Area HS seniors with a minimum CGPA of 3.25 desiring an engineering degree career path, may qualify for one of perhaps several Scholarships being offered this spring. This Scholarship includes:

- ◆ **Substantial tuition & fee allowance to a local college of your choice. (Minimum 12 credits per semester).**
 - ◆ **Semester textbook allowance up to \$500.00.**
 - ◆ **Paid concurrent work experience at GTD beginning this summer after graduation, starting rate of \$10.00/hr.**
 - ◆ **Qualified recipients can renew this Scholarship for up to (3) years after which they may transfer in pursuit of a bachelor's degree or be considered for full time employment opportunities with Greenville Tool & Die.**
-
