

TIGHT TOLERANCE ACHIEVES TOP QUALITY

Picture above L to R: Roland Demorest (Die Designer), Justin Stump (Die Maker), Brian Schmid (Die Designer) and Brad Throop (Program Manager)

Pictured top above is an oil pan made with many tight tolerances. Roland Demorest and Brian Schmid did a fantastic job designing the 7-station transfer tool pictured bottom, which enabled Justin Stump's excellent job throughout the build and tryout process. All under the watchful eye of Program Manager Brad Throop. Another successful project completed at GTD and a great tool provided to our customer. Bravo gentlemen.

SAFETY & SUGGESTIONS

Safety & Suggestion Meeting
Wednesday, February 27, 2019
3:30pm

BLOOD DRIVE

American Red Cross

Together, we can save a life

Our next Red Cross Blood Drive will be held on **Tuesday, March 19th**
12:30pm - 5:45pm

The following GTD employees/retirees have recently reached milestones in blood donated:

- Reuben Babbitt - 1 gallon
- Nick Tillottson - 2 gallons
- Derrick Baker - 6 gallons
- Dan Updike - 26 gallons

42 successful donations were made during the last Blood Drive held on January 21st. Thank you, donors, for your commitment to helping those in need.

REMEMBER WHEN

In this photo taken from the 1991 Toolbits, Program Manager Brady Paulson (third from the right) hosts Greenville High School Vocational Machine Shop class to a demonstration of practical applications to support their classroom work. Greenville Tool & Die has always been and continues to be most pleased to offer tours of its facilities, especially when it benefits young people seeking career directions.

RETIREE BREAKFAST

Beginning February 6th, the retiree breakfast will be held at The Green Harp, 104 South Lafayette Street, in Greenville. Greenville Tool & Die retirees meet the first Wednesday of each month at 9am.
