

### GREENVILLE TOOL & DIE INSTALLS NEW BRIDGE MILL

### OUR CONDOLENCES

Jack Fredrick Bailey

January 13, 2022

Our deepest condolences to the family and friends of Jack Bailey. Jack retired from Greenville Tool & Die on April 22, 1983 with nearly 40 years of service. He was a great man and will be missed.

Greenville Tool & Die has recently purchased and installed this Toyoda Bridge Mill with five-face machining capabilities. The fixed rail bridge machine is designed for heavy cutting applications and features roller guides, a hydraulic counterbalance system on the headstock, extended Y-axis travel, and a powerful spindle. These features allow for highly precise and accurate cuts without sacrificing speed. The new installation is an excellent addition to our arsenal and will be a huge asset in the machining of complex workpieces.

## GREENVILLE TOOL & DIE – AN EMPLOYEE OWNED COMPANY

On February 17, 2005 the employees at Greenville Tool & Die purchased the company from the trust of our late CEO and owner, Stan Ash, and his wife, Blanche. Seventeen years later GTD continues to prosper following many of the same traditions passed down from the Ash legacy.

Thank you, employee owners, for your direct investment into the success of this company.
