

## HIGH QUALITY STAMPING DIES

Greenville Tool & Die is nearing completion on the design and manufacture of this 5-station transfer die which makes left and right hand running boards. Our die leader on this project, Dave Scott (above right), was assisted by Nick Kaufman (above left), also not pictured, Mitch DeVries, Seth Heckman, Chris Carr, Justin Stump, and Jesse Playter. Roland Demorest was our designer leader on this project with Brady Paulson as our project manager. Great job!
