

EMPLOYEE OWNED SINCE 2005

On February 17, 2005, the employees at Greenville Tool & Die purchased the company from the trust of our late CEO and owner, Stan Ash, and his wife, Blanche. Every year our profits are used to purchase shares of company stock. These shares are distributed to the employee owners and held in their Employee Stock Ownership Program (ESOP) account. The ESOP retirement account is in addition to the 401(k) account. Employee-owners typically have more than twice the average total retirement balance of Americans nationally. As our company grows and performs better, our shares can increase in value. For this reason, the success of Greenville Tool & Die is most important to all our employees, along with the satisfaction of our customers. Greenville Tool & Die is proud to be one of only a few local companies to be 100% employee owned. Thank you, employee owners, for your direct investment into the success of this company.

SECOND ANNUAL SQUIRREL HUNT

Greenville Tool & Die employees participated in the 2nd Annual Squirrel hunt on Saturday, January 2nd. There was more snow to contend with this year, but the event still had a great turnout. Special thanks to our participating customer and friends. The competition was based on 2 person teams with the winners determined by the cumulative weight of squirrels. Congratulations 3rd place team Tree Rat Evictors (Matt Greenhoe & Wyatt Waldron) with eight squirrels at 14.01 lbs., 2nd place team Tree Rats (Joe Dempsey & Matt Dempsey) with eight squirrels at 15.01 lbs., and winner of the golden squirrel for the *second year in a row*, 1st place team El Señor Squirrel (Neal Fisher & Dan Pitch) pictured below with eight squirrels at 15.06 lbs. These two are unstoppable! Thanks everyone, better luck next year.

Designers & Builders of High Quality Stamping Dies Since 1946

SERVICE AWARDS

Thank you Gordon Garvey, who will reach 25 years of service on February 27, 2021. Gordon will be recognized for his hard work and dedication in next month's edition of our Toolbits Newsletter.

SAFETY & SUGGESTION MEETINGS

The Covid 19 Pandemic halted any non-essential gatherings at Greenville Tool & Die this past year, which posed difficulties for our employee safety and suggestion meetings. Beginning February 1, 2021 employees are able to submit safety concerns and suggestions on the Greenville Tool & Die Intranet home page. Management will meet at the end of each month to address suggestions. Safety suggestions will be addressed immediately, so be sure to check the safety issue box upon submission. Thank you all for doing your part to keep GTD healthy and safe.
