VOLUME 52 No. 10 "An Employee Owned Company" ISO-9001:2015 REGISTERED

Junior Achievement of the Michigan Great Lakes social media mascot, Horace recently visited Greenville Tool & Die. Horace is pictured above with (left to right) JA Director of Development, Missy Summers, GTD Chief Financial Officer/JA of Montcalm County Advisory Board Member, Gregg Peters, and held by JA President, William Coderre. Junior Achievement is a non-profit youth organization that provides programs to students in kindergarten through high school. JA programs delivered by corporate and community volunteers are designed to help prepare young people for the real world by showing them how to generate wealth and effectively manage it, create jobs which make their communities more robust, and apply entrepreneurial thinking to the workplace. GTD Tool & Die Designer, Roland Demorest, GTD Systems Administrator, Kevin Arnold, and Gregg

Peters all volunteer as instructors of various JA programs. The mascot, pictured left, gets his likeness from Horace Moses, one of the founders of Junior Achievement. #WheresHorace #100percentready

THANK YOU

October is National Employee Ownership Month, and at Greenville Tool & Die, we're proud to be an *Employee Owned Company*. We would like to take this opportunity to say thank you to the employee owners for their direct investment into the success of this company.

STAYING SHARP

Employees received additional training on the "Zoller Tool Setter". This allows the CNC Machinist the ability to pre-measure tooling while the machine is running, reducing downtime and cost for the company.

CONGRATULATIONS AUSTIN

Congratulations are in order once again for Greenville Tool & Die Apprentice Diemaker, Austin Wonch. Austin took 3rd in the Modified Division at the IMCA Super Nationals at Boone Speedway on September 6th. Check out his interview with IMCATV at: www.facebook.com/imcatv/videos/507852279641987/
