Tool Bits

September 2017

VOLUME 51 No. 4 "An Employee Owned Company" ISO-9001:2008 REGISTERED

Greenville Tool & Die employees working overtime on Saturday, August 19th enjoyed a rare sight when a balloon from Greenville's 53rd Annual Danish Festival landed in our parking lot. GTD is a proud sponsor of the Greenville Danish Festival Hot Air Balloon Rally, who is celebrating their 10th year participating in the festival. The balloon was launched from Klackle Orchards on the west side of town. Chase crews follow the flight of their balloons to meet them where they land – which can be just about anywhere!

Greenville's Back to School Bash

Julia Potter, Tristen Potter, and Ken Mankel worked the booth at Greenville Public School's 2nd Annual Back to School Bash.

With 80 vendors present, attendees enjoyed the touch a truck demonstration with a police car, ambulance, and fire truck; petting zoo; face painting; performances by Greenville High Schools theater department; and more.

GTD gave away some school supplies. Over three hundred students stopped in to see us. It was wonderful to witness the community come together for such a great event!
