

## HEAVY ALUMINUM

Picture above L to R: Jim Buskirk (Program Manager), Joe Dempsey (Die Maker), Austin Wonch (Apprentice Die Maker), and Roland Demorest (Die Designer)

Aluminum continues to be instrumental in the manufacturing of automotive parts. Shown above are a pair of heavy aluminum automotive parts that were produced from a (7) station transfer die designed and built here at Greenville Tool & Die. Job well done!

## CHRISTMAS POTLUCK

There was plenty to eat at the Christmas potlucks this year. Thanks to all the employees for your contributions. Special thanks to the wives at home who were responsible for some of those delicious dishes. We all had plenty to eat and certainly enjoyed the meal.

## CONGRATULATIONS BILL

Bill Harry and his wife Cyndi had a baby girl on Monday, November 26, 2018.

Elizabeth Annalynn Harry weighed in at 7lbs 10 oz and 21" long. Elizabeth joins her brothers, William and Benjamin, and her sister, Lillian. Congratulations Bill and welcome Elizabeth.

## CONGRATULATIONS CONNER

Congratulations to Conner Arnold who recently completed his apprenticeship for Tool & Die Maker. Conner is now working on his second apprenticeship to become a Tool & Die Designer. Best wishes for continued success in his career.

## TOYS FOR TOTS

Thank you, Greenville Tool & Die employees, for your generous donations to the Toys for Tots program. This year our focus was on teenagers. We purchased items such as shampoo/conditioner sets, body wash sets, perfume, colognes, jewelry, watches, ear buds, iTunes gift cards, and much more. With all the money collected we were able to spend \$1670 on gifts which were then given to the local Toys for Tots program. Special thanks to our shoppers Jeff Waite and Mandy Christian.
