

GREENVILLE TOOL & DIE BUILDS HIGH QUALITY STAMPING DIE

SERVICE AWARDS

Congratulations to Herb Jones who reached ten years of service on September 19th. Thank you Herb, for your commitment and the accomplishments you have brought to Greenville Tool & Die.

Pictured above from left to right: Tool & Die Maker Mac Paulson, Apprentice Ronnie Griffin, Design Leader Marty Bush, and Die Leader Kevin Lipp did an excellent job designing and building the tooling used to create this intricate steel roof panel. Also instrumental on this project, however missing from the picture, are Tool & Die Maker Austin Wonch and Program Manager Brad Throop. Very nice job gentlemen, a good example of high quality parts.
